

SUPPORT DISTRICT FIVE ROBOTICS!

Our team receives funding from School District Five, but it's the help of our sponsors that get our team into top-notch shape.

Here's how you or your business can help:

Bronze (\$10): Your name will be displayed on d5robotics.com's sponsors page.

Silver (\$25): Your logo will be displayed on d5robotics.com's sponsor page.

Aluminum (\$50): All of the Silver benefits, plus your logo is displayed on our pit display at competitions and demonstrations through the year.

Gold (\$100): All of the Silver Plus benefits, and your name or logo will be displayed on the team's 2006 T-shirts. (We'll send you one, too.)

Titanium (\$250): All of the Aluminum benefits, and your name or logo will be displayed on our 2006 robot, which will be built next January and February.

Platinum (\$500+): All of the Gold benefits, and your name becomes part of our official team name as it's read at competitions. (For example, "Billfred Industries/HSR, Inc./School District Five of Lexington and Richland Counties/Irmo High School/Dutch Fork High School/Chapin High School")

Donations of tools, materials, food, and other items are more than welcome, and will be recognized at the going rate.
